

THE CASA CONNECTION

The bi-monthly newsletter of TLC Children's Services/TLC CASA

Winter training is complete!

Four new volunteers were sworn in after our winter training sessions! We are excited to welcome Nicole Washer, Megan Coxwell, Julie Pierce, and Beth Bozeman to the CASA Family!

To learn more about becoming a CASA Volunteer, please contact Jennifer Staples at jenstaples@tlcchildrensservices.org.

Spring Fundraisers were a SUCCESS!!!

Our three Spring Fundraisers, "Green Up Dublin for St. Patrick's Day," "You've Been Shamrocked," and "You've Been Yumion'd, Toombs County," put CASA front and center during the two most popular festivals of our area, the St. Patrick's Festival in Laurens County and the Vidalia Onion Festival in Toombs County. Green bows and our fancy leprechaun flamingos dressed up Dublin and the surrounding areas and got everyone into the St. Patrick's spirit. At the beginning of April, our Yumions began sprouting all over Vidalia and Lyons, signaling that the Sweet Onion Festival was on its way. Over \$3,000 was raised in the Middle Circuit with the Yumion fundraiser and over \$ was raised in the Dublin Circuit with the bows and flamingos. As always, the money raised in our fundraisers goes right back into the advocacy and support of the foster children of our areas.

Many thanks to the volunteers and staff who made these fundraisers such a success!

HAPPY BIRTHDAY

EARTH DAY 2024

We want to give a special thanks to the Citizens of Georgia Power for choosing TLC Children's Services as the recipient of their Earth Day 2024 project. Georgia Power employees and supporters spent the day planting flowers and beautifying the yards at our Dublin office, helping make the grounds an even better place for the children and families we serve.

Thanks again for your hard work and generous spirit!
